

# Capability Statement

Serving clients with  
excellence and integrity

## Company Overview

**Storage Strategies, Inc. (SSI)** is a technology and engineering services firm providing IT management services to federal and commercial clients. We have a significant track record of helping customers re-engineer, consolidate, and manage their enterprise IT capabilities improving performance and reliability while economizing. SSI's corporate commitment to the Golden Rule infuses all of our business decisions and consistently generates mutually desirable results.

The firm's socio-economic certifications include: Historically Underutilized Business Zone (HUBZone) certification & Small Business. We have served a number of sectors, including the U.S Department of Defense (DoD), the intelligence community, and federal civilian agencies for over 14 years. We look forward to serving you.
